

Dear Bob,

I wanted to write you a letter to thank you for buying my father's home. The last few months have been very hectic and emotional for our family. Your patience and professionalism made the sale go so smoothly. I really appreciate all you have done to help my family during this difficult time.

Sincerely,

Alison

P.S. Thank you for taking care of all the stuff in the garage too. It would have taken me a week to clean all of it away.
